

The Palms Minor Surgical Procedure Clinic

There is no need to wait months to get your minor surgical procedure done. The Palms Medical Center now offers minor surgical procedures on site through its Minor Surgical Procedure Clinic.

When: Every Friday (except public holidays)

What: Surgical removal of:

- Moles and Skin tags
- Lesions
- Lipomas
- Potential malignant lesions
- Sebaceous cysts
- Toenail wedge excisions

Send in a photo of the lesion and/or area of concern to your GP via MyIndici OR make an appointment with your GP/NP or nurse to discuss surgical options and we will contact you with a surgical appointment time.

Surgeries are performed every Friday.

Cost for surgical procedures:

30 min - \$395 45 min \$545 60 min - \$695

Cost for toenail wedge excision:

One side - \$395 Both sides - \$695

Please note that the price includes any follow up consultation with the doctor for histology review, wound review, removal of sutures, change of dressings. However, it does not include the initial GP consultation/examination.

To book an appointment please ph 354 7737 or ask your GP/NP to refer you to our Minor Surgical Procedure Clinic
