Phone Consultations
These are for normal consultations in place of a face-to-face consultation.

Extended Consultations
Where a consultation includes more than two issues and extends beyond the initial 15-minute appointment, an additional consultation fee will be charged (at the same rate as the first 15min appointment). Your GP/NP will inform you when this is likely to occur.

Portal and Phone repeat prescriptions only
These are script repeat requests via **MyIndici** or phone script requests for repeat prescriptions only and are not consultations as such.

ECG and medical material/consumables are charged in addition to the usual consultation fee

After Hours is Saturdays 8.00am – 5.00pm

Other fees may apply, please consult Reception for confirmation, ie. Non-resident, General Immigration Medicals, Vaccinations & Immunisations.
